IT'S ONLY POSSIBLE BECAUSE OF YOU.

If you spend any amount of time around First Christian Church, you'll quickly discover that everything happening here only works because of the people who offer their time, talents, and resources week in and week out on our serving teams.

If you're brand new to our church (or maybe just new to serving), we want to express our excitement that you're thinking about joining a team! Serving is a huge next step that will bring you closer to Jesus and to your team. This guide contains all our current volunteer areas and teams. If you want to learn more or share your interest in serving, visit **firstchristian.com/serve**.

If you're already plugged in and serving and just checking this guide out, we want to take the opportunity to say "Thank you for being a world changer!" We couldn't do this without you.
